# How does it work?

## 1. Start-up Phase

We help you with:

- Registering with the Chamber of Commerce (KvK)
  - Opening a business bank account
  - Choosing the right legal structure (sole proprietorship, general partnership, or private limited company)
  - Setting up your bookkeeping system in a way that's easy for you to use
- 

## 2. Processing & Reporting

- Use our convenient Online App to take photos of receipts and upload purchase invoices directly — fast, secure, and paperless
  - We process your bookkeeping every week, with no limit on the number of entries
  - You automatically receive quarterly reports for clear insight into your revenue, margins, and costs
  - We handle your VAT returns, prepare your annual accounts, and take care of your tax filings
  - You have access to a graphical dashboard that shows you at a glance how your business is performing
- 

## 3. We help and support you with questions or issues

- Direct contact via WhatsApp, email, or a scheduled call
- Access to our knowledge portal with explainer videos and sample contracts
- Twice a year, personal tax advice and a review to see if your current legal business structure still suits your company
- Help and support with questions about staffing, investments, or financing

# What does GRIP cost?

- **One-time setup fee: €795.00** (excl. VAT)
- **Monthly subscription: €262.16** (excl. VAT)

Includes VAT returns, annual report, income tax return, reporting, and support.

*"With GRIP, you don't get an accountant who only adds up the numbers afterwards. You get a partner who thinks along with you about your success as an entrepreneur."*
